Fall in Love with the Eagle River

Seasons are changing and beauty surrounds us. We invite you to photograph the scenery, nature, downtown, displays, foods and drinks or whatever catches you at the moment. Send this to Instagram using the hashtag #loveeagleriverwis and we can create a community album.

Main Street recap:

We were working hard this summer to keep our downtown looking great with our flags/flowers/ banners and bikes. Thank you to all who sponsored and volunteered. It couldn't be done without your support.

The Main Street Program was able to give the Riverview Park band shell a facelift along with new grills in the park for all to enjoy.
