

THE LION MINTS PROGRAM

How To Approach Merchants

- ◆ Ask if the merchant is familiar with the Lions mission.
- ◆ Request Counter space for Lions Mints, and be sure to say it will only take a small space.
- ◆ Look around—find a desirable spot which has visibility and accessibility.
- ◆ Assume a humble attitude, don't be pushy or demanding.

How To Service Accounts

- ◆ Always keep your candy displays filled with candy. Some will only need monthly service, while others will need service every 3–4 days in high volume places.
- ◆ It is not a good policy to leave too many extra mints at a site for employees to fill trays with as too much money will accumulate.
- ◆ If theft is suspected, seal the bottom of the tray with a sticker that would have to be broken if the tray is tampered with. This tends to deter such activity.
- ◆ Keep your display clean, signs should be clean and have supplier's name and phone number on the back. Collection trays and containers should be clean, if not, switch for a clean one. Boxes sometimes collect debris—be sure dust hasn't collected, and **Remember that empty Trays mean poor public relations and less help for community needs.**

How To Build Public Support

- ◆ Form a relationship with business owners and their employees. Tell them about Lions and the things your Club does for the community – glasses, hearing aids, youth programs (baseball teams, swim teams and band camps). People will be more inclined to monitor the mint displays for you, and it is a great way to recruit new members for your Lions Club.
