Are you a Thrivent member? Have you been using your action team funds or designating your choice dollars? Thrivent is a fraternal organization that gives back through these two programs.

Members can have up to 2 action team events per year which includes a \$250 seed money grant to insure the success of your project. The application process is online and takes less than 5 minutes to complete. When you get your approval and grant (usually within 2 weeks), gather your team together and do God's work by helping others. Choice dollars is another way Thrivent gives back and is based on your contracts with Thrivent. At their website, you can easily designate Zion (or another organization) to receive your choice dollars. Then simply remember to go to the website quarterly and designate your choice dollars. I have been doing this for several years and the website will keep track of the total donated. If you would like more information on either of these programs, please talk to Vicki Garro 715-399-3067 or go to <https://www.thrivent.com/>. There is still time to get a 2018 action team together.

Scholarships are available
for graduates.
