### **New Things to Share**

**Registration open!** It's time to register for Summer Experience Camp: Camp is a unique opportunity for teenagers who are 16 and 17 and legally blind. To help teens prepare for the next stage of their lives, we offer leadership development, an introduction to guide dogs, and the opportunity to spend time with peers. GPS devices are incorporated throughout the week in a variety of useful

environments, including a college campus. Campers also experience tandem biking, beep kickball, rock wall climbing and more!

Summer Experience Camp will be held Saturday, June 22–Saturday, June 29, 2019.

Deadline for applications is March 31, 2019. [Learn more and access the application.](#)

Thank you for your continued support of Leader Dogs for the Blind’s mission in your local communities. We serve clients from all 50 states and all Canadian provinces with guide dogs, white cane training and Summer Experience Camp. This PDF shows where are clients have come from as of January 15, 2019 for this fiscal year: [View the PDF](#). How much did all of that cost our clients? You know the answer. Zero! Thanks to Lions, Lioness and Leos making that happen.

Please feel free to share with us the great things your clubs and/or individuals are doing for Lions and Leader Dog—we’d love to share the pride!
