Bark River Playground Park Project

Inclusive Equipment along with Traditional Equipment will be erected in our Senior Center Township Park; the Downtown Park on US 2 & 41 will be upgraded.

A Michigan-based Crowdfunding Campaign will run through July 12th by accessing **patronicity.com/barkriver**, you can make a donation that will be matched by the MEDC (Michigan Economic Development Corporation). This is a joint venture lead by the Delta-Menominee Co. Heart of the North Lions, along with the Bark River Lions, & the Bark River Township.

This completed project will encourage our youth along with their families to be outside; our disabled children will have a wonderful new opportunity to enjoy the wonderful UP outdoors!
