

## District Governor Jerry Stephens

July 2013

Fellow Lions,

I hope everyone is enjoying a great summer. The heat is rather oppressive as I write this, but I remind myself that these are the days I longed for back in January!

Earlier this month, I traveled to Hamburg, Germany for the annual Lions Clubs International Convention. I was a first-time attendee, and I was not entirely sure what to expect. Everything fell into place, and I thoroughly enjoyed the convention and the time in Germany. My time was pretty well occupied. The first four days were spent in a classroom setting, completing my training to serve as District Governor. When the convention began, there was still much to do. The plenary sessions were both informative and inspiring. Former First Lady Laura Bush and Princess Laurentien of The Netherlands both addressed the convention attendees and discussed their initiatives for reading and adult literacy. World-renowned tenor Andrea Bocelli spoke about his foundation and efforts to combat poverty in third world countries. LCIF announced a \$250,000 gift to the Andrea Bocelli Foundation to assist in his efforts. Timothy Schriver, Chairman of Special Olympics, also addressed the convention, and LCIF announced a new partnership with Special Olympics.

Some important issues were addressed at the convention by the voting delegates. Seventeen new members were elected as International Directors. Among those elected to serve was ID Esther LaMothe, representing our great state of Michigan. ID Esther will serve on the Board for two years. Another important ballot issue dealt with dues for Lifetime Members. The delegates voted to increase the dues to \$650.

Of course, our Association also elected a new International President for 2013-14. Barry Palmer, from Australia, will lead our Association for the coming year. President Palmer's theme for this year is "Follow Your Dream", and he indeed has great dreams for the Association. Among other goals, President Palmer aspires to increase world-wide membership from 1.35 million to 1.4 million, and to increase the percentage of women members from 24.5% to 30%.

Almost immediately upon returning from the convention, I presided over our first cabinet meeting of the new fiscal year. The good Lions of the Manistique Lakes Lions Club hosted us at the Erickson Center in Curtis. The so-called "Change-Over" meeting was quite well-attended, considering that we are in the middle of summer, and family, reunions, and vacations are on everyone's calendar.

I look forward to serving this year as your District Governor. I believe we will have another great year of service to our communities, our district and our Association.

Enjoy July, and as always, should you have any questions, please do not hesitate to e-mail or phone me.

Sincerely Yours in Lionism,

Jerry Stephens

# Message from President Madden

Dear Lions,

As I near the end of my term as International President, I want to first say thank you to the district governors and club presidents around the world for the tremendous support you have given me throughout the year.

This year I challenged you to expand your community service by including a new initiative – the Reading Action Program (RAP). Your response has been overwhelming. To date, Lions have participated in over 65,000 RAP projects, impacting the lives of 6 million people around the world. RAP has been so successful, the Board of Directors has extended it as a major service project for the next 10 years. That is personally gratifying to me not only as a Lion but as a former educator.

You embraced my theme “In A World of Service” in so many ways. Linda and I had the opportunity to visit many of you this year, and witness first-hand what Lions are doing to change people’s lives. And that is exactly what we are doing. We are changing people’s lives. We are giving the underserved a chance for a new beginning, and we are doing it each and every day of the year.

I never imagined growing up in a small town in Indiana that I would one day not only have the opportunity to make an impact on the lives of others, but to lead the world’s largest service club organization and the global leader in humanitarian service – Lions Clubs International. I am forever grateful and sincerely humbled by the outpouring of love and support for Linda and me.

I’ve been encouraging you to apply for the [District Governor Team Excellence Award](#) and [Club Excellence Award](#). Be sure to download the form and apply after your year is over (but no later than 30 September 2013).

Please express my sincerest appreciation to the Lions in your clubs and districts. Our world is truly a world of service and this year you have helped make the world better through your selfless acts of kindness shown to others.

Sincerely,

Lion Wayne A. Madden

# FOLLOW YOUR DREAM

Barry J. Palmer, International President

There is little time to waste, so I am encouraging all club presidents to use the Club Excellence Process (CEP), a resource that can help clubs reach their true potential. CEP Lite is currently only available in English, with all languages available by October (I will notify clubs then), but I didn't want to wait to get this critical resource out to clubs. I'm asking you to lead by example and take CEP to your own club, then share it with others. Thank you for your help, now let's get the word out!

---

I'm very excited to tell you about the perfect tool to get your club operating at the highest level—the Club Excellence Process (CEP). CEP is a fun, interactive process that can help you improve member satisfaction, make your service projects more effective, and set goals to ensure your club stays on the path to excellence.

We've made it easier for you to take advantage of the Club Excellence Process by offering two versions: CEP Pro and CEP Lite.

- **CEP Pro**— Let a trained Lion facilitator come in and guide your members through the program.
- **CEP Lite**— Custom designed to allow your club to experience the program with a member of your club leading the process.

Choose the version that's right for your club, and get on the path to club excellence!

Kind regards,

Lion Barry J. Palmer  
Your International President

Dear Lion Leaders,

I'll be communicating with your district governor throughout the Lion year. I'm forwarding my message so you can stay informed and better support your DG. You are part of a team that your DG will be relying on to accomplish key goals in your district. And each of us has an important part to play in achieving success. If we work together, I know we'll fulfill our dreams.

Lion Barry J. Palmer Your International President 2013-2014

Dear District Governor,

I want to thank you for the work you did at the recent seminar in Hamburg. I'm confident the training you received will give you the tools necessary for a successful and memorable year as district governor.

You are part of my Dream Team. You are unique in that no other district governor has been given the start you have been given. And you have a number of advocates ready to help you achieve success.

I have written to all the PIPs, PIDs and PDGs in your area to enlist their support for specific goals, because they all have something to contribute toward the success of your year. Your zone and region chairpersons have also been given goals for achieving a special award. Work with them. Motivate them. Their success will be your success. And don't forget your faculty leader is there to provide assistance throughout the year. Your dreams are in place. Now is the time for action.

And remember – I'm here for you. If I can help in any way, send me an email. If you are not on Facebook, get on board now. When you do, send me a "friend" request. I put many thoughts and ideas up there for you. Keep your Dream Book with you as a constant reminder of your dream. And don't forget to *Follow Your Dream!*

Dear LCIF Coordinators:

Two special announcements were made at the Lions International Convention in Hamburg on Monday. One on the partnership with the GAVI Alliance for Measles and one on the partnership with Special Olympics. Please see below.  
Jayne

**LIONS CLUBS INTERNATIONAL AND GAVI ALLIANCE PARTNER TO PROTECT CHILDREN FROM MEASLES**

*Lions to raise US\$30 million for immunization, matched by US\$30 million from UK Government and Bill & Melinda Gates Foundation*

*HAMBURG, Germany, 8 July 2013 – The GAVI Alliance and Lions Clubs International today announced a unique partnership designed to protect tens of millions of children in the world’s poorest countries against measles, a highly infectious disease that kills an estimated 430 people every day, mostly in developing countries. Under the partnership, Lions Clubs – the world’s largest service club organization – will deploy its network of 1.35 million volunteers to raise US\$30 million and to improve access to vaccines through the GAVI Alliance, a public-private partnership whose mission is to save children’s lives and protect people’s health by increasing access to immunization in the world’s poorest countries. The funds raised by the Lions will be matched by the UK’s Department for International Development (DFID) and the Bill & Melinda Gates Foundation, bringing the total to US\$60 million. The announcement was made at the Lions Clubs’ 96th annual convention in Hamburg, Germany. “Lions Clubs International and its members are excited to continue our commitment to the fight against measles and rubella,” said Lions Clubs International Foundation Chair Wing-Kun Tam. “Through our joint efforts with GAVI and other partners, we will increase access to quality immunization services at every level – globally, nationally and locally – to benefit children in developing countries.”*

**Lions Clubs International Announces Historic Expansion of Partnership with Special Olympics**

*Increasing Funding, Member Activation and Programming to Benefit Those with Intellectual Disabilities Worldwide*

*HAMBURG, Germany, 8 July 2013 – Lions Clubs International Foundation is pledging \$7.8 million to Special Olympics, expanding worldwide efforts to support the inclusion and well-being of people with intellectual disabilities.*

*Building on the organizations’ 14-year history of collaboration, this pledge is part of a new multi-year partnership plan that will strengthen ties between Special Olympics and Lions Clubs International at the country and the community level. The partnership is providing health services, engaging youth and encouraging family support to benefit the global population of individuals with intellectual disabilities.*

*The announcement was made on stage during the 96th annual Lions Clubs International convention in Hamburg, Germany, by National Basketball Association athlete and Special Olympics Board Member Yao Ming, Special Olympics Chairman and CEO Timothy Shriver, Special Olympics Australia athlete Ben Haack, Special Olympics-Lions Clubs International Opening Eyes Founder Dr. Paul Berman and Lion Clubs International Foundation (LCIF) Chairperson Tam Wing-kun. “Just five months ago at the Special Olympics World Winter Games in Korea, Special Olympics convened world leaders for a Global Development Summit focused on ending the cycle of poverty and exclusion that people with intellectual disabilities face around the world. Lions Clubs did more than participate in that gathering -- they committed to action,” shared Yao Ming. “With this remarkable commitment, they’re putting the funding and strength of their global grassroots organization in direct service for one of the world’s most marginalized populations. There’s no greater service organization than Lions, and the athletes, families, volunteers and fans of Special Olympics worldwide are proud to stand with their members in service to others.”*

Lions Clubs International has been supporting Special Olympics with a focus on health through the Special Olympics-Lions Clubs International Opening Eyes vision screening program. Now, this five-year renewal and increased support will create leadership opportunities for Special Olympics athletes, increase the health work of Special Olympics, conduct outreach to families for additional support and allow for both organizations to reach more young people through inclusive sports and advocacy programs in an effort to achieve full acceptance and inclusion of people with intellectual disabilities in their communities.

Lions Clubs International  
**FOUNDATION**

Dear Lions,

As this year comes to an end, I would like to thank you for the opportunity to serve as Chairperson of Lions Clubs International Foundation. I am grateful to have visited many of your humanitarian projects around the world. Every day, you remind me of how Lions are able to make big things happen with the help of our Foundation.

This past year was a significant one for [LCIF](#). Millions of children received measles vaccinations when the Bill & Melinda Gates Foundation's challenge grant was met. We celebrated the vision screening of more than 16 million children through 10 years of our Sight for Kids partnership with Johnson & Johnson Vision Care. Students are learning positive life skills in 81 countries as Lions Quest continues to expand globally. Communities affected by disasters around the world - including towns flooded in Thailand, devastated by tornadoes in the USA and destroyed by earthquakes in China - were given hope through relief efforts. And, so much more has occurred through hundreds of grant projects.

Thank you, Lions. Your efforts are helping millions of people in many different ways, meeting the needs of your communities and global needs as well. You put your heart into everything that you do, and it shows. I am proud to be a Lion.

I believe that together, with your [support](#), we can continue to make a difference around the world in the years to come.

Sincerely,

Wing-Kun Tam  
Chairperson, Lions Clubs International Foundation

Dear Chairpersons,

I wanted to make you aware of an activity I received from clubs in Poland that are organizing an international contest for talented singers with vision loss. You may share this with other Lions in your district should they be interested in getting involved. Please see the message from the contest organizers for additional information:

**Dear Chairpersons,**

**We invite you to participate in The 1st Lions World Song Festival for the Blind "Sounds from the Heart".**

**The Lions in Krakow Poland are seeking talented vocalists with sight impairments to compete in their first official world song festival in November. Lions clubs and others are asked to help select worthy candidates for the contest, help them record a song and submit it to festival officials as soon as possible. This festival is being sponsored by the Lions Clubs in Krakow, District 121.**

**We are also very pleased to announce that the President Wayne Madden confirmed his participation and will be attending the Festival this November.**

**A lot of entries have been received by the Lions Clubs all over the world. We hope that your country and your blind singer will take part in this wonderful project, too. Registration can be done through the event website <http://www.lionsfestival.jordan.pl/> or by sending an email to [festival2013@jordan.pl](mailto:festival2013@jordan.pl)**

**The entry deadline for Festival songs is August 31<sup>st</sup> 2013.**

**Best regards**

## Chocolay Lions Club **1<sup>st</sup>** annual **Co-ed** soft ball tournament

On August 2<sup>nd</sup>, 3<sup>rd</sup>, and 4<sup>th</sup>, the Chocolay Township Lions Club is sponsoring its first annual co-ed softball tournament. This will be a 10 team double elimination tournament, starting late Friday afternoon with the last game starting around 9:00 PM. Saturday there will be a full schedule of games with a break around one PM for a Home Run derby. The championship game will be held early Sunday afternoon. The tournament will be held at the Township Sports complex at the corner of U.S. 41 & County Road 480 in Beaver Grove.

The team entry fees should pay for the cost of the tournament, with profits from the concession stand and the 50/50 drawings for each game going toward improvements (better bleachers and dugouts) at the Lions Recreation center on M-28 2 miles east of "Down Town Harvey".

If you are interested in some good softball, stop in and watch a few games, and buy some pop, brats, hot dogs or burgers to help your fellow Lions build a better community Lions Recreation area.

The Extension and Membership Division conducts Netcasts on important membership topics each month. Netcasts are web-based forums designed to be interactive. Lions are able to ask questions of the panelists and share success stories of their own. The goal is to provide an opportunity for Lions to learn and motivate each other. We encourage you to pass along this information to your club members and promote their participation. Netcasts are recorded and posted on the LCI website. Below is the schedule of upcoming Netcasts. Space is limited so register today!

Please be sure to read this to all Club members. Help them to save money on their natural gas bill next winter.

**Because the SD10 Lions Clubs are affiliated with Northwoods Airlifeline (NWALL) and NWALL is member of the Dickinson area Chamber of Commerce, all the UP Lions Club members now have access to perhaps less expensive natural gas to heat their homes. Anyone who currently has a good account standing with either Michigan Consolidated Gas Company or Consumers utility companies is eligible to become a member of Integrys Energy Services, one of the most respected energy suppliers in the country. You will receive a discounted gas rate that has been below other utilities' natural gas prices for more 30 consecutive months. In addition, Integrys will donate \$25.00 to NWALL for each new 12-month customer. Further, there is no fee to switch gas suppliers and the customer is free to switch to other suppliers at any time. Please inform your Club about this wonderful opportunity to save money on heating and benefit NWALL at the same time.**

## 2013 Newberry Lions Recycling Eye Glasses

One major service commitment of the Newberry Lions is the recycling of eye glasses. Since 1991, Members of the Newberry Lions have enjoyed participating in the recycling effort and the personal reward of know that you have helped bring better vision to someone who may have never know corrected vision. The Newberry Lions prepared seven boxes of used glasses to be sent to Muskegon North side Lions Clubs to be processed for distribution in Central and South America.

Volunteering is a positive, often joyful activity. The Michigan Lions helped 1,400 patients being examined in Port au Prince Mission trip last year and 3,000 patients were seen in Aguascalientes, Mexico Mission trip the year before. They take up to 10,000 pairs of glasses on their mission trip.

## Lions White Cane Thank You

Newberry Lions hosted their annual Lions “White Cane Days.”

Sight conservation days are the last weekend in May. In 1925 Helen Keller challenged the Lions to become “Knights of the Blind.” Accepting the challenge, every year Newberry Lions do fundraising efforts to provide white canes for the blind. The money raised allows the Newberry Lions to provide goods and services to disabled individuals, young people, civic organizations, and others in our community with needs.

We want to thank Rahilly’s IGA, Mac’s Market grocery stores and Hilltop Resell Store for allowing the Newberry Lions to have collection buckets to receive donations. Your generous gifts of \$2,204.38 help us to support programs such as Project KidSight, Youth and Adult Eye glasses, Leader Dog Program, Teaching Family Homes, Bay Cliff, Michigan Eye Bank, The Link and Tahquamenon Area Recreation Agency and many other community programs.
