## **Our Mission Statement ...**

First Lutheran Church is God's people inviting, involving equipping and empowering to serve, that all may know Jesus Christ as Lord and Savior.

Evangelical Lutheran  
Church in America  
God's work. Our hands.

*For by grace you have been saved through faith, and this is not your own doing; it is the gift of God—“-*

*Ephesians 2:8*

FLC Family,

On my desk there is a little wooden block that says, “By Grace Alone.” It was an ordination gift from another student at LSTC, The Reverend Alison (Williams) George. Even with it right here on my desk, it can be a struggle to enact the meaning of those words in my daily life.

Grace is the most important gift God offers us. We do not deserve it. That’s why it is, what it is. Freely receiving this gift reminds us that it is important that we follow God in offering grace. Grace is our way of saying, “That other stuff doesn’t matter, just the love. We are here to love.” The biggest sticking point for many of us is offering ourselves grace.

For example, careless things I said or did back in the 3<sup>rd</sup> grade come up in my mind and burn on my cheeks even all these years later. WHY?!? Grace reminds me that I don’t have to be enough, or better, or mistake free. For by grace, I have been saved through faith. It is not by my own doing. For by grace, you have been saved through faith, and this is not by your own doing; it is the gift of God.

We have God’s love and grace. It isn’t earned. There isn’t a “good enough” for God. There is “always” with God. God is always with us. God always loves us. God always hopes for more for us and from us, but that doesn’t mean we are not enough. It just means that God is not finished with us yet. With God’s loving grace we can do good things for God, even if we’re not perfect all the time.

As summer draws to an end and we are gearing up for the Fall and its activity, where can you offer yourself Grace?

God’s peace,  
Pastor Elisabeth

## Ubiquitous Unknowns

### Greetings Siblings in Christ

As young children we follow the lead of our parents. As we grow a bit older into the tween years we branch out and notice our friends' households run a bit differently.

The teen years are total rebellion. As young adults in our 20s or so, we begin to realize that maybe our parents were not too far off base after all.

This is generally how I felt about the church, its teachings, and its beliefs. As a young child I happily attended Sunday School. As a tween I fought my parents a bit and as a teen I questioned what was taught because of personal struggles. As a young adult, finding meaning in church life was important, but I never thought about the belief system or its background beyond Luther.

As I was preparing to start seminary, a pastor mentioned there was an extra copy of the *Book of Concord* for me to take home from the library. I took it home wondering why I would need it. I had not heard of it before.

The first semester book list came out and it was listed for two of the classes. I figured it must be important and as I opened it up, I started to wonder what I had been missing all this time. The *Book of Concord* is a collection of the writings that form the theological basis of the Lutheran faith. It contains the three Ecumenical Creeds, The Augsburg Confession (1530), the Apology of the Augsburg Confession (Sept 1531), the Smalcald Articles (1537), the Treatise on the Power and Primacy of the Pope (1537), The Small Catechism (1529), the Large Catechism (1539), and the Formula of Concord (1577). This book was compiled from the writings of the Reformers and is *The Confessions of the Evangelical Lutheran Church*, not just the ELCA but the basis for the Lutheran worldwide church.

Have there been discoveries you have made over the years that fall into the category of "I wish I would have known about" or "How did I not know this existed?" Continual discovery of information opens our minds and grow in our understanding.

Peace, Vicar Melissa Salminen

Each bar must be individually wrapped for sale. You may wrap bars at home, or you may bring them to the church to be wrapped. Bars should be brought to church on Monday, August 15<sup>th</sup>. Please sign up on the bulletin board in the narthex or contact the church office if you are able to provide a dozen or more bars and/or if you would like to volunteer to take a shift at the booth.

## **Mission Endowment Grant Request Forms**

The Request Forms for Mission Endowment Fund distribution are now available in the church office. First Lutheran is fortunate to be able to provide gifts for ministry outreach every year because of the many individual contributions made over the years. The annual distribution of these funds is based on the guidelines of the fund bylaws approved by the congregation. These bylaws require distributions to accomplish the following purposes:

- A. Support ministries and programs relating to growth and nurture in life and faith, especially, but not exclusively, for children, such as attending a Lutheran college, university or seminary, camping and leadership conferences, other training that enables members of this congregation to grow in the Lutheran faith and service to God's people, or funding of church youth programs which involve community outreach, and for funding an internship site at First Lutheran Church.
- B. For families, for social service agencies and institutions, or special programs designed for those in our community who are in spiritual and/or economic need.
- C. Grants to Fortune Lake Bible Camp for general support of its ministries.
- D. Grants to our ELCA schools, colleges, universities, campus ministries, and seminaries, to Fortune Lake Bible Camp or other ELCA church-related camping ministries.
- E. Grants to the Northern Great Lakes Synod for general support of its ministries.
- F. Grants:
  - a. through the Northern Great Lakes Synod partnership ministries, seminarian support, synod endowment support, Mission Outreach Fund
  - b. through the ELCA for World Hunger, World Missions, and other partnership ministries

If you would like to submit a request on behalf of any program or organization that seeks to accomplish one of the above purposes,

please stop in the office and pick up a form. Completed forms need to be returned to the office no later than **Thursday, September 30<sup>th</sup>**. Any questions may be directed to one of the Mission Endowment Fund Committee members: Dennis Landwehr (Chair), Laura Coleman, Pam Durbin, Dutch McEachern, and Chuck Thomas.

## **Stewardship**

### GIFTS FROM GOD

God is always good. Always God is good. God has been unusually good to First Lutheran over the past year or so. God blessed us abundantly when roughly a year ago Pastor Elisabeth accepted the call to serve here.

Then, about six (6) months ago, God sent us Vicar Melissa as an intern. To top it off, both Pastor and Vicar brought their loving and supporting families. God has sent these gifts as a wonderful opportunity to work together to learn and teach about the good news of Jesus Christ.

Who do you suppose we should thank for these blessings? Looking in the mirror is a great start! Were it not for your generous financial support, these things would not be possible. God, of course, is responsible, but needs our hands. You have been good stewards of our financial resources. Your faithful giving provides the dollars needed to pay for this enlightened spiritual leadership at this time and in this place.

You have also been good stewards of your time and talents and, teamed up, with your money has brought our mission alive.

The money part of stewardship will move front and center over the next few months as we begin the process of budgeting for next year. This is a “heads up” for us all to begin to prayerfully consider our giving intentions for next year and to make an estimate of giving when requested.

We can't thank you enough for your selfless and bold stewardship and pray that, together, we can build upon the blessings of this past year.

God has been good to us. You have been good to us. God must have big plans for us to have sent us Pastor Elisabeth and Vicar Melissa.

Your support has made the road ahead straight, flat and bright with the light of Christ.

In Christ,  
Dirk Manson, Stewardship Chair

HUGE P. S.:

We have also been blessed BIG TIME with faithful and bold stewardship of the Northern Great Lakes Synod staff. They have held our hands and guided us through pastoral vacancies, interim leadership and the call process these past few years. Thank you, Bishop Finegan.

## **Special Giving Envelope**

August Special Giving will go towards  
**Kiwanis Backpack Program**

## **Kiwanis Backpack Program Update**

Dear Valued Sponsor,

The Backpack program serving Gladstone and Rapid River Schools had a successful 2021-2022 school year, where things were able to return a little closer to normal after the pandemic years. We are happy to say that we served approximately 65 Gladstone students and 25 Rapid River students throughout the year. For this program we are able to purchase most of our food through Feeding America at a much cheaper cost than regular prices. This allows us to use the funds you have donated in a much more efficient way. We deeply appreciate the support that you have given to this program.

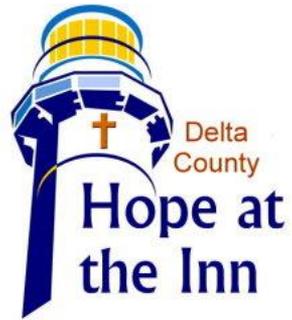

We anticipate starting the program up again in the fall once school begins and anticipate running the program throughout the school year even if there are more pandemic restriction. We would certainly appreciate any continued support you may be able to provide....

Sincerely, Alan M. Stotz, Club President

Dear First Lutheran Church,

Thank you for your generous gift of \$240.00 to ministries of the ELCA through ELCA Good Gifts....Your Good Gift is a very good gift, indeed. With resources such as seedings and seminary courses, vaccinations and vegetable gardens, Bibles and blankets, you're equipping God's people – around the world and around the corner – with what they need to live abundant lives. Thank you for your faithful gift – your partnership makes a difference.

With Gratitude, Rachel Wind,

Dear First Lutheran Church,

Thank you for your generous \$1240.00 emergency gift to help the people of Ukraine, who are enduring unimaginable hardship and suffering. Please continue to lift them in your prayers. Your gift is being put to use immediately to deliver emergency food, shelter, Personal Care Kits, Baby Care Kits, medicines and other critically needed items for children and their families who are trying to survive the horrifying fighting... or being forced to flee their homeland with a few meager belongings. Your willingness to share your blessings during a global crisis like this is a godsend to your neighbors in Ukraine who are hurting. They can feel your love and are deeply grateful to know you are keeping them in your thoughts and prayers....

Warm Regards, Ambassador Daniel Speckhard (ret.), President & CEO

The the Lovely Folks at First Lutheran,

Thank you for an amazing week at day camp. We couldn't have done it without the support of an awesome volunteer crew, a lively and welcoming congregation, and all of the other grown-ups (and littles!) who work to make programs like this a success. Our campers had a ton of fun learning about God's boundless love for them and for the whole world – we can't wait for them to learn even more about this week's theme throughout the year. Thanks Again for All that You Do!

Grace & Peace,

Your Fortune Lake Day Camp Team

P.S. The Potluck was stellar! Thank you to all who contributed.

# Faithful Innovations—Holy Experiments

We invite you to dig even deeper and consider how an intentional adaptive communal learning process could help your congregation. Gather a team of 4 to 7 lay people to join your rostered leader or licensed lay minister and experience the process of Faithful Innovations. Your team will also receive coaching support. Congregations with an interim leader are also very welcome to participate.

It all begins with LISTENING...

## 1. LISTENING TO GOD

- DWELLING IN THE SCRIPTURES
- PRAYER

## 2. LISTENING TO YOUR CHURCH FAMILY

- ONE-ON-ONE CONVERSATIONS
- SHARING YOUR FAITH

## 3. LISTENING TO YOUR “NEIGHBORHOOD”

- WALKING AROUND AND PAYING ATTENTION
- “GOD SIGHTINGS”

Then, based on your listening, try an “experiment.”

### The Faithful Innovations Team from Faith Lutheran, Calumet

discerned that God was calling them to listen and pay attention to what draws people to events at the Calumet Colosseum Ice Arena and how God is present. Individuals and groups from the team “walked the neighborhoods” of Calumet to more intentionally see what’s going on in their own community. Who knows what they might learn about their community through this “holy experiment?”

### Next Faithful Innovation Trainings at Fortune Lake
