August 26, 2018

Hello Immanuel Families!!

My name is Traci Corrigan, and I am the Superintendent for Sunday School, aka "Sunday Funday." You may know me from Vacation Bible School during the summer, but if you don't, let me tell you something about myself. I am married to Gary Corrigan, and we have four boys: Avry 15, Elliot 12, Grady 6, and Kye 5. My background and my degree are in early childhood development, but I currently run my own screen-printing business out of my home. My life is crazy and chaotic, but I promise to do my best to keep everything on track!! I ask that you please be patient with me, as I learn this new job.

There will be new teachers in every classroom this year!! We have Sarah Latvala and Kim Pepin in the preschool and kindergarten room. We have Heidi Mitchell taking care of first through third grade. We have Jim Franks starting out the year with our fourth through sixth graders. He will be covering temporarily while we get someone else in place. And last, but not least, Chris Borgstrom will be teaching confirmation.

Our daily schedule will consist of group time in the chapel for music and a short video, time in the classrooms with the teachers, and a short snack time to help get the kids through church afterwards. I will be looking for snack donations for each room, after we get started.

Rally Day is September 9<sup>th</sup> at 9:00am. There will be games and prizes, face painting, and an ice cream sundae bar!! Regular "Sunday Funday" activities will start on September 16<sup>th</sup>. As of now, we will be running the program from 9:00-10:15, with snack time being at 10:00. Please note that as we have an interim Pastor starting with us soon, that schedule may change. We will make sure you know of any changes that take place.

Please fill out the attached registration form and get it turned in to the office prior to Rally Day so that we have needed information on your child. We do need information on every child attending for insurance purposes. I'm looking forward to seeing everyone on Rally Day!!

In Christ's Love,

Traci Corrigan
