TO: Lions Clubs of Michigan

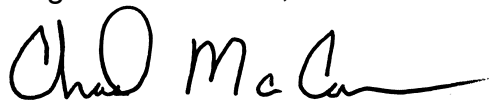

SUBJECT: Michigan Eye Bank - Grand Lodge of Michigan - Lions of Michigan Foundation - Community Programming Partnership

The Lions of Michigan Foundation is excited to announce that we are now working with the Grand Lodge of Michigan and the Michigan Eye Bank to provide services to Michigan communities. Our first combined effort will be to conduct joint Project KidSight, Michigan Child ID and I Joined Programs at community events throughout our state. Through a coordinated effort to share event scheduling and programming information, we will increase our opportunities to help Michigan families.

This is a great opportunity to further each organization's goal in making our communities throughout Michigan healthy and happy places to live and work. Our partnership is not limited to Project KidSight, Michigan Child ID and I Joined. If your Lions Club is working on a community project, please reach out to the local Masons or representatives of the Michigan Eye Bank for help or information.

We hope this partnership will lead to many other opportunities for us to work together and combine resources to help improve the lives of Michigan residents.

Together in service,

Chad A. McCann, Executive Director
Lions of Michigan Foundation
