

Hello Students and Parents –

Can you believe it's time to start thinking towards Fall and starting Sunday School again? We are looking forward to it and want you to know we're working towards some exciting changes this year. We thank you to those who received and filled out our Sunday School survey regarding some important time changes with our program. Do know we will start the Fall as usual with our classes being held Sunday Mornings. The results of the survey showed an interest in changing to Wednesday evenings, so we are proposing to the Council trying just that the second half of the year as a trial run. At the end of the year, we'll reevaluate how both ways went, if approved. Stay tuned for updates and, as always, we need your feedback to know how it's going so please share your thoughts with us.

Backpack Blessings will be held August 19th during regular service. This is a time for the kids to bring their backpacks to church and the congregation would like to give them a special blessing as they start their next school year. Open to anyone headed to school – PreK through College even!

Sunday School will kick off September 9th with Rally Sunday, following church at 10:00. This is a day for families to come and help around the Church and community with all sorts of needed tasks. We have age and ability appropriate jobs from cleaning and organizing to decorating, so please invite anyone to come help! This is definitely a family event, so we ask parents to come with the kids ready to help. We will begin our regular Sunday School program the following week after church at 10:00, ending each week around 11:10. We will hand out expanded schedules as Sunday School starts.

Please fill out your registration forms by September 1 – On the back of this letter. Drop off at church office or email to us. Include a regularly checked email address and phone number so we can communicate with you often throughout the year. This is especially important this year as we implement changes during the year.

With any good program comes the need for volunteers. We have so many people with great talents in our congregation – we'd like to put that to use! There are lots of different levels and opportunities, so please don't feel intimidated. We will help make the process as smooth for you and the kids as possible. Even if it's a time or two – we'll take it. You can fill in your preferences on the back form or reach out to us too. It will take a Village, but we know we have a great one!

And please invite a friend to join – we're always open to taking new students.

Feeling Blessed and Excited –
