

ENVIRONMENTAL WASTE CONTROL CONTRACT BIDS

In order to maintain a clean environment during the 2023 U.P. Steam and Gas Engine Labor Day Show, continuous attention to trash pickup and restroom cleaning is required at the U.P. State Fair grounds in Escanaba, MI August 30th-September 5th, 2023.

Sealed bids for 2023 Environmental waste control must be postmarked no later than March 10th, 2023. Bids must be mailed to:

U.P. Steam & Gas Engine Association
Attn: Nicole Landers
P.O. Box 954
Escanaba, MI 49878

The guidelines for the 2023 environmental waste control contract includes:

- Routinely monitor all of the receptacles (approximately 60) on the grounds and empty as needed; replacing liners.
- Routinely checks on all restrooms that are used by the Show participants. Buildings where restrooms are located are: Miracle of Life, Ruth Butler, Mid way: behind dairy barn, Horse (speed) Barn and Steam & Gas Village.
- Cleans any restroom that requires attention, emptying and refilling receptacles along with toilet paper, hand cleaner, refilling paper towels, keeping floors clean and removing trash.
- Provides any appropriate feedback during/after the show to Nicole Landers.
- Bags must be placed in all receptacles no later than 3pm on August 30th, routine checks of all receptacles and restrooms must begin by noon August 31st and continue throughout the day until 2pm September 5th.
- Bags will be removed from all receptacles no earlier than 2pm September 5th.
- U.P. Steam & Gas Engine Association will provide large dumpsters for all trash, pay dump fees, provide receptacle liner and rubber bands for cans, cleaning solutions, paper towels, soap & toilet paper.
- A final cleaning must be done, including floors and stools at the end of the Show. Final inspection of all areas will be done at 5pm September 5th by Nicole Landers. Upon final inspection, if the work is not satisfactory & not resolved by 5pm September 7th, \$500.00 will be deducted from your initial bid amount.
- Must provide your own transportation for garbage removal. (i.e. truck & trailer) Proof of insurance is required for any/all vehicles used.
- Medical liability waiver must be signed and turned in prior to August 30th, 2023.

- Must be 18 years or older to place a bid.
- An orientation of the event grounds can be arranged prior to the event.
- Any questions please call Nicole at (906)280-8453.

Sealed bids will be opened March 29th, 2023 at 6:30pm at the Chamber of commerce building in Escanaba MI. You are welcome to attend for questions. If not present, the bid winner will be contacted via phone.

Signing below you agree to all of the guidelines for the U.P. Steam & Gas Engine Association environmental waste control services conditions. The U.P. Steam & Gas Engine Association has the right to refuse any and all bids. Please include this page when mailing in.
