~ PIE SALE - THANK YOU! ~

The "Pie Lady" says THANK YOU to all of the folks who brought us so many pies and the ladies who donated their time to help serve all of that deliciousness!!!

From making a giant pot of coffee at 8 am, to washing up the empty pie pans and covering all of the pies for overnight, we had a very successful Sisters of Steam Pie Sale, being able to turn in a little over \$1,000.00 for the 2022 UPS&GE show!

Thanks to all who brought pies and a great BIG Thank You to all who gave their time to serve all that pie!!!

~ 48th ANNUAL SHOW UPDATE ~

Thank you to everyone who volunteered and/or helped in any way with our 2022 Show. We cannot continue to put on a show of this size without working together and without all the outstanding volunteer help that we had! It was a good weekend and with the successful 47th Annual Show behind us, we are now looking into 2023 to our 48th Annual Show. We have approximately 85 already pre-registered for 2023. Our 48th Annual Show will be featuring Oliver Farm Machinery. Please watch for updates in upcoming Newsletters and on our website. Nicole Landers is our Show Manager. If you have any questions and/or concerns, please contact Nicole at 906-280-8453.

~ FLEA MARKET ~

The Flea Market vendor spots were filled for this year's show. The 2023 Flea Market will be managed by Lorraine Zawacki. Watch for further information!!

~ FALL FAMILY FUN DAY UPDATE & THANK YOU! ~

The 4th Annual Fall Family Fun Day that was held on October 1st is in the books. It was a great success with \$3,236.00 raised for our local toy campaign! Also, a total of 8 full tote boxes of toys were collected! Approximately 100 more children came through to pick up treat bags than we had last year. This year, 323 children took treat bags.

The entire Fall Family Fun Day Committee thanks you for your involvement in our 4th Annual Local Toy Campaign. This includes the ABATE of Michigan, Region 17, Marine Corps League, Christian Motorcyclists Association, U.P. Stem and Gas Engine Association, Sisters of Steam and Lori Gregg and the Spookhouse Team. This also includes all the volunteers, Touch A Truck attendees, sponsors and those who gave donations! The Marine Corps League had a huge success to the start of their toy campaign with your help. All of us hope you will continue to support the event benefitting Toys for Tots next year. Thank you!

~ MUSEUM UPDATE ~

Please take a moment to see the new displays that have been done in the Museum this summer and fall. They are such a wonderful addition to the museum. A big thank you to everyone who helped in the process of getting these displays done and all the work that has been done throughout the Museum this year!! The Museum Committee will be working on plans for further improvement of displays throughout the Museum. Those volunteering to be on the Committee are: Bob Willis, Nancy Gage, Pete Conine, Larry Anderson, Dave Houseman and Dick Dutton. Bob Willis will be the Chairperson of the Museum Committee. The Museum Committee will meet on a regular basis to improve operations and displays in the Museum. We appreciate the work that these volunteers will be doing.
