Announcements

*Note the change of time for vespers tonight reflecting the shortening days. Plan to stay after vespers for a few minutes to help return the gym to a space useful for students.

*The building committee (Pastor Hubbard, Russell Berger, Sr., Shaun DeGrave, Les Messersmith, Dawn Miller, Char Moon) is working on ways to make the gym more suitable for worship, as well as addressing repair and update needs of the school. If asked to help with an upkeep issue, please respond positively if possible. A good start has been made on plans for rebuilding the church.

*Next weekend our Pathfinders will be traveling to the fall Pathfinder Camporee at Camp AuSable.

*Marni Molgaard has agreed to be the lead bulletin secretary. Please send bulletin information to her at the e-address below.

Bulletin information to marninamolgaard@yahoo.com by 6pm on Thursday, please.
